Forecast for Friday 21 Jan 2022

Weather: Clear spells and widespread frost to start Friday morning with a dry and bright morning with sunny spells following. Cloud will spread across from the northwest during the morning with a cloudier afternoon in prospect. Staying mainly cloudy in the evening with a touch of frost under any cloud breaks.

Chance of cloud free mountain/hill tops above 600m: 100% to start the day, becoming 70% in the afternoon with patchy cloud affecting the summits.

Visibility: Very good. Areas of low cloud and fog will affect the higher tops around 800m by the afternoon.
